# Short-Term Ministries

A note from the short-term missions team:

As you read this note, maybe the Lord is nudging you in the direction of serving Him.

You may also be wondering what direction that is!

This is a time of great opportunity for believers who have a heart for the Jewish people. Are you one of them?

If so, then a **short-term experience** in Jewish outreach, including evangelism, discipleship, and hands-on training, is for you!

The Great Commission challenge “to the Jew first” (Romans 1:16) is just as true today as it ever was - and the opportunities to share the Gospel with Jewish people are greater than ever!

Why don't you **call us**? We would love to speak with you about joining one of our teams in this exciting work of bringing the Gospel to the Jewish people.

Yours in Messiah,

The short-term missions team

During July, come on a two-week adventure to . . .  
**eXperience Israel**  
eXperience Israel, a **marvelous mix** of hands-on ministry activities and travels to the memorable sites of the Hebrew Scriptures and New Testament.

If you're looking for an experience that will help **solidify** the foundations of your faith, then come walk through the pages of Biblical history in the land where **it all began**. This two-week trip is guaranteed to provide life-changing encounters with God, His Land, and His People. So, why don't you come **eXperience Israel** so that Israel can experience Him?

You will be trained in Jewish evangelism, and then **put that training to work** on city streets, on beaches and in other places where young Israelis congregate. You will never read God's Word the same again—and who knows how **He will use you** to spread His message!

# Outreach Israel

Is there a **special place** in your heart for Israel? Do you have a desire to spend more time there than a mere vacation or tour would allow? Do you want to be a part of ministering **on the edge** in a place so desperate for authentic peace?

# For Individuals & Groups

During the summer, you will share in people's lives by expressing your faith to the **surprisingly secular** Israelis and the "unreachable" Orthodox, and spend time encouraging new believers.

Bring your home group, congregation group or campus group to New York City for a memorable stateside short-term ministry trip.

To ease the intensity of ministering in Israel, the team will meet together for times of Bible study and prayer. You will **live in close community**. There will be some time set aside to study Hebrew, but it's amazing how much you will pick up when you hang out with people and listen! Israelis love practicing their English!

Bring your group to learn, see and **experience together**.

Receive training in communicating your faith to Jewish friends and students and put your know-how to work across the surprising spectrum of Jewish people. Visit the **fascinating neighborhoods** and Jewish cultural landmarks that New York City has to offer.

The **memories and ministry** you will experience in such a "dry and thirsty land" will be enough to tug on your heart for years to come. **Bring your love** and enthusiasm for the people of Israel and use your gifts and talents to help awaken the presence of Messiah in the Land where He lived!

We provide a welcoming environment of training and discussion, a variety of **outreach opportunities** and fun-filled, typically Jewish **tourist adventures**. You decide how long you minister with us and you determine your budget.

You and your fellow group members will grow spiritually and create the unique **bond of friendship** that comes from ministering together as you reach out to the Jewish community of New York City.

Be a part of: **Congregational life**  
music, children's ministry, teaching, mercy ministries

**Evangelism**  
coffee shops, youth hangouts, music festivals

**Discipleship**  
Bible studies, youth groups, retreats, camps

# Internships

You can be involved in:

- electronic media
- web site construction
- journalism
- administration
- congregational care
- evangelism
- campus ministry
- teaching English as a Second Language
- sky's the limit!

*"I have had a passion for Jewish people to know their Messiah. During the summer, I worked with Chosen People Ministries editing the filmed testimonies of the Mission's staff, to use as a DVD resource! I've gained valuable experience in virtually every area of video production. This internship has helped me to combine my passion for Jewish evangelism with my skills in media production – and for college credit!"*

business major,  
multimedia intern

Who knows?  
You may end  
up meeting more  
than a  
requirement.  
You might just  
fulfill a calling.

# Short-Term Training & Evangelism Program

STEP is a **whirlwind** week of in-depth training, engaging evangelism and Jewish cultural excursions for people of all ages.

A typical STEPper's day:

- 7 am – Wake up
- 9 am – Worship/Devotional
- 10 am – Class – The Jewish Roots of Christian Faith
- 1 pm – Lunch at Katz's Deli
- 3 pm – Distribute tracts around Brighton Beach & Coney Island
- 6 pm – Dinner at Nathan's on Coney Island – Alan will give history of the area
- 9 pm – End the day with a time of prayer for the people we talked with (tomorrow we go on a prayer walk in the Orthodox area – can't wait)

*"We were in Grand Central on an outreach and I saw a sea of heads bobbing up and down as they rushed along their ways. It reminded me of wheat fields blowing in the wind. I couldn't help but think of the Scripture speaking of the harvest fields being ripe unto the harvest. I was rejuvenated during that outreach with new strength and excitement!"*

—STEPper

Why not use a few days of your vacation or your summer break to learn about the Jewish people, **experience the culture** and share the message of salvation? It's a wonderful opportunity to come – or bring your home group or Sunday school class for a week-long ministry adventure!
